# SIGNATURE EXPERIENCE CUP NOODLE

All noodle soups are prepared fresh on-site. Customizable broth flavors, spice levels, and toppings are also available.

**SIGNATURE PACKAGE : START AT \$600**

Our Cup Noodle Station offers a modern and interactive late-night experience where guests can create their own personalized noodle cup selections. Prepared fresh throughout the event, each serving features flavorful house broths, quality noodles, and a wide variety of hand-selected toppings designed to suit different tastes and preferences.

From savory proteins and seafood to vegetables, garnishes, and specialty additions, guests are invited to mix and match their favorite ingredients while enjoying a beautifully styled live station presentation. Ideal for weddings and special celebrations, this experience brings comfort, customization, and a fun social element to the evening.
